### **PEACH OF A WEEKEND** Ruston, Louisiana

Cathy Kaigler hosted our June Get'away and it truly was a "Peach of a Weekend." The campground she selected was awesome!

On Thursday GG's started arriving and getting their rigs set up. Come 6:00 PM we were ready for "sandwich night" and visiting with one another. Cathy had a table full of door prizes and if you were lucky enough to get your number drawn you got to choose which one you wanted.

Friday morning we were up bright and early to go visit a peach farm where we watched an employee go through the

process of getting the peaches ready for shipping. Needless to say, we purchased some to bring home with us but we didn't leave there until we had a big cup of homemade peach ice cream.

From there we went to Pop's Blueberry Farm and by this time it was getting pretty hot but some of the GG's braved the heat and picked their own blueberries. Leaving there, some of the ladies went on a winery tour while others went shopping.

Saturday was Ruston's Peach Festival. Several GG's shopped the vendors while others went to the famous "Duck Dynasty" warehouse (just 20 miles away) where I stood in line for quite some time to pay for a duck call for my grandson! He couldn't believe his MiMi had been to Duck Dynasty and he hadn't! LOL

*We live, laugh, and love to get'away!*

That evening we had a hat contest. The four finalists for best hats were Carol Hock, Debbie Johnson, Terry Kinnick and Connie Pridgeon. Connie's wild creation took first place.

### ARE YOU SMARTER THAN A 5TH GRADER?

Evidently some of our GG's aren't! LOL Saturday night was game night and we played "pass the hanky". We all made a circle and everyone had a handkerchief in one hand and we were told to put our other hand behind our back. As music played, we were to pass the hankies to the left or right until the music stopped. Well, what a mess we made of that game! Several would wind up with a hanky in each hand! Our instructor on how to do this was Cathy's sister (who is a 5th grade teacher). She said to us, "Ladies, my 5th graders can play this game, you can do this!" Well, all I can say is, several failed but I'm not calling any names!

We may not be smarter than a 5th grader but we sure had fun trying to be. It was a blast! Many other games were played and it was so much fun just being kids again.

A special "thank you" to Cathy (and those who helped) for all the work you did in making this another great Get'away. Like I said before, it truly was a peach of a weekend!

July will find us tubin' the Brazos so check your email inbox for details that will be coming soon...

Happy camping, *Dixie*
