CANTON TRADE DAYS OCT. 3 - 6

Bringing in the Fall camping season the GG's had a busy October with two fun campouts, the first being a "shop 'till you drop" adventure at Canton Trade Days. On Thursday evening there was a chili supper (provided by members) and come Friday it was a day of shopping. That night everyone met at the pavilion for a drinking vessel exchange which created some crazy fun and laughter.

Saturday brought on some more shop 'till you drop and early that evening I saw some tails dragging but it didn't take long for them to perk up and get ready for the highlight of the weekend, which was the "Betty Boop Party".

A "thank you" goes out to hostess Barb

Parmley for coming up with this fun idea. I never knew Betty had such big "boobs"! LOL The costumes were so cute and some quite revealing but it was all in fun. If you got it, flaunt it! LOL

Congratulations to the contest winners... Lisa Davis for best Betty Boop costume... Zola Hilton for best Betty Boop name tag... Janie Rubio for best decorated paper moon.

"HAPPY TRAILS TO YOU!" OCT. 17 - 20

Our 3rd annual Gals & Guys Get'away was another smash hit! Roy Rogers and Dale Evans (the theme) never looked so good, thanks to our host and hostess, Don & Sandra Boswell.

We live, laugh, and love to get'away!

To enter the clubhouse we walked through an entrance gate with a large sign above that read "The Roy Rogers Double R Bar Ranch". Once inside, it was breath taking to see the decorations that Sandra had made for the food tables and the cloth banners she had made and hung from the ceiling, the walls and in the restrooms. They were all so unique. I've never seen such beautiful detailed handiwork (with a western flair) for a GG campout.

For the gals welcome bags, Sandra made them from ecru colored cloth with brown stitching to resemble a saddle bag. On them was a photo of Roy & Dale and a beautiful flower she had made from cloth. She used large rhinestones and jewelry pieces to embellish the bag. Inside the bags were brochures and information about Fredericksburg, the location of the campout.

The ladies name tags she made matched the table decorations and the welcome bags. It's so hard to describe on paper just how beautiful everything was. Thank you, Sandra, for a summer of hard work just to please our gals & guys. The men's name tags were sheriff badges.

Thursday night was an outdoor cookout around a very large campfire where we all visited & got better acquainted with one another.

On Friday morning several of the guys played an 18-hole round of golf while the

ladies went shopping. After an afternoon of relaxing it was time for a "pot luck" supper and a couple of games of LCR. Winners of both games were first time players Cheli Buchanan and a gentleman named Joe - Dee Bennett's guy.

Saturday morning was another golf game for the guys and more shopping for the gals. Come Saturday night after a wonderful catered meal it was time to party. There were several "Roy & Dale" look alike on the dance floor swinging to the music of the Dave Kemp Band. Petticoats were whirling & twirling all over the place!

Everyone had such a grand time and all of us that attended want to thank Don & Sandra Boswell once more for making our 3rd annual Gals & Guys an AWESOME Get'away. The hard work and love that went into this campout was very obvious.

'UNTIL WE MEET AGAIN"
