

BURLESQUE

Red, White &
Black Weekend

August 2016

Lights-Cameras-Costumes-Action! Hostess Lori Maples put on a whale of a weekend at the WinStar Casino in Thackersville, Oklahoma this month.

GG's began arriving on Thursday, the 11th of August ready for a good time, and I'm sure all will agree, that's just what we had. It was a smaller crowd with larger than life FUN! Lori girl, you outdid yourself! Cute, cute names tags were laced up corsets. Donna King did an outstanding job making those out of white cardstock and we were given hearts, spades, clubs and diamond shaped stickers to dress them up a little if we wanted to.

The welcome bags were so cute too, with a red & black bicycle printed on them sporting a red heart shaped balloon tied to the back. Inside were lots of goodies with a really nice red insulated glass & straw. After everyone was settled in at the campground and hotel, we then gathered at the clubhouse for an evening of "finger foods" and fellowship. And fellowship, we did! As always, it was such a fun group. Even played a little LCR.

On Friday, the weather wasn't as hot as it had been. A cool front moved in, which made it a little more comfortable for everyone.

Burlesque

It was lunch on your own but from 12:00 PM until 2:00 PM,

Lori reserved Kona Ice to come out to sell Snow Cones to the ladies. From 2:00 to 4:00 PM it was a Pool Party at the campgrounds pool. At 6:30 we had a catered BBQ Dinner and I have never eaten such good smoked Brisket! It was delicious!

Come Saturday, it was a free day to shop, sightsee, play the slots or participate in other casino games. Back to the clubhouse at 6:30 PM, another WONDERFUL catered dinner, this time it was Italian. The food at this campout was truly outstanding!

Party Time! With the theme being “Burlesque”, there were many cinched in corsets worn with boas, beads and bangles. The costumes were amazing!

There was some entertainment with a Karaoke machine. Well, let’s say there was an attempt at entertainment! LOL I do think one group did get through an entire song without getting booed off stage. Just kidding! There was no booing but there was definitely a lot of laughter.

Lori did such a great job with the decorations. Glittery black bottles had feathers and flowers in them for centerpieces on red table cloths. It was all so festive.

“THANK YOU” Lori and thank you Mary

Steele & Donna King for your part in making it a GREAT weekend.

Much love and Happy Camping.

Dixie
